Welcome to our new website! Please join me in thanking CJ and Linda C. for all of the incredible work and creativity they have poured into creating and building this website. And thank you to the Website Committee and everyone who has donated money, time, ideas, and feedback to move it from a dream to a reality - particularly Bonnie Del Boca who donated the seed money to get the project kicked off. As you explore the site, you will find many extras, like weather, local activities, and even shopping. Be sure to check in regularly to get updates on our community and committee activities. As I'm sure you have already seen, the committees and volunteers have been busy all year, and their accomplishments are outstanding. I am grateful and excited to be part of such a dynamic community.
