

Proposed Pool Use Guidelines

In an effort to accommodate all *leaseholder desires regarding use of the swimming pool, the following guidelines have been developed. Should there be multiple issues resulting from leaseholders ignoring these guidelines, more strict rules will be considered.

Responsibility

- Guests and minors using the pool are required to be accompanied by the leaseholder(s) they are visiting.
- The leaseholder must be present at all times, and must closely supervise said guests and minors, to make sure they respect the courtesy guidelines outlined below. Note that the laundry room doesn't count as present.
- All guests must sign liability waivers.

Courtesy

- All swimmers are encouraged to enjoy the pool in a manner that accommodates the wishes of those who prefer to relax quietly or swim laps.
- Loud or boisterous play should be reserved for times when you are not sharing the pool with others, unless it is negotiated with each other person who is present.
- Concerns about pool behavior should be addressed to the responsible leaseholder.

Nudity

- 6am - 8pm – Suits are required in and around the pool to respect the comfort, safety and clearly expressed preference of our wonderful staff and residents.
- 8pm to 6am – Clothing is optional – NO MINORS, WOMEN ONLY. Please raise the nudie flag while you are using the pool suitless so that any others who arrive are able to know what they're walking into, and have a clear choice about whether to proceed.

Reservations

- As with other facilities, the pool may be reserved for private parties or activities of up to three hours in length.
- Leaseholders wishing to reserve the pool may arrange it with Office Management.

* For the purpose of these guidelines, the term “leaseholder” also applies to renter.
