

Green Team Best Practices

The overall purpose of the "Green Team Committee" is to aid the DBR community in being environmentally responsible, in developing a sustainable future.

Unique Best Practices of the Green Team:

- Actively manage the DBR Recycling program.
 - A team member will be assigned to plan dates for "recycle runs" to the PortTownsendRecyclingCenter.
 - A team member will be assigned to find volunteers for the "recycle runs.
 - Drivers for "recycling runs" will be reimbursed for mileage.
 - Bags and mileage are paid for by the DBR office.
 - Collection bins will be checked on a regular basis by designated volunteers.
 - Flyers and pamphlets will be designed, printed and distributed as necessary.
- Members of The Green Team will periodically assess the Park for opportunities to maintain and advance ecological responsibility and sustainability within the Park.
- The Green Team Committee will meet as needed or as requested by any member.
