DBR Document Review Committee

Members Present: Jolda Reed, Skye Surges, Phyllis Rabun (via cell phone)

Board Liaison: Kate Higgins

Guests: None

Discussion:

This was the first meeting with all new members. The committee designated Jolda Reed as Chair.

The committee will review current documents to become more familiar with them. Several Leaseholders have expressed an interest in the possibility of using solar panels on individual lots. The committee will also do some research on this issue and if/when needed coordinate with the ALRC Committee and their guidelines.

Meetings: This committee agreed to reconvene in approximately three (3) weeks. Date and time have not been determined.

Respectfully submitted,

Jolda Reed, Document Review Chair
