

Lots 58 and 59 are now combined and Joyce is the owner of lot 68. Lynn Bremm and Laura Brown are now the owners of lots 39 and 40.

As reported last meeting, we have purchased a bill to quarter changer. It has arrived and will be put up in the laundry room next week. It will change ones and fives to quarters. Instead of rolls of quarters I will start keeping ones and fives to make change for the machine.

I have opted to go with Quickbooks for taking credit cards. They now offer a pay as you go program that does not charge a monthly fee, just a percentage per transaction. Their percentage was the same as all other pay as you go companies and the credit card transactions download directly to Quickbooks. I will have more information next week when I receive the set-up information.

This will be the last Friday I work until the next BOD meeting.
