June 26 at 1:00 Radclyffe Attorney Lorraine Rimson will give a talk about estate planning and offer you a sign up to complete documents you might need, here at DBR or in her office, including:

General Durable Power of Attorney – designating someone to pay your bills/manage your finances, etc., if you are unable.

Medical Durable Power of Attorney – designating someone to make medical decisions on your behalf if you are unable.

Health Care Directive – Stating what you want to happen with your health care if you are unable to make the decision.

Last Will and Testament – How to dispose of your assets (if not otherwise handled through beneficiary designations, etc.)

Disposition of Remains – Whether you want to be buried or cremated.

The talk is free, the documents will run from \$250-500, depending on what you need done. Lorraine is willing to offer a sliding scale based on individual needs.

This is a fabulous opportunity to get your estate in order at a very reasonable cost. Look for a sign-up sheet in the office where you can indicate what documents you are interested in having completed. Individual appointments for 30 minutes or so will be scheduled after we know the need.
