

June 26, 2019 ALRC Meeting

Previous ALRC Meeting Correction:

June 17th meeting minutes reflected the ‘first’ ALRC meeting for 2019 when in fact there was one other event that precipitated a few of the ALRC members to issue an approval for the movement and placement of a shed. At that time new members joined ALRC. The current Chair was unaware of these new members and their names were not shown on the June 17th meeting notes.

The June 17th meeting notes should include: Members not present: Phyllis Rabun and Geri Nieberding.
