

Reminders:

Employee work schedules are posted on the office window and on the website.

Those intending to run for the BOD must have your biographies into Kate or myself by July 8, 2019.

I don't know if many of you have noticed, because invoices and statements are emailed to most leaseholders, that at the bottom of your electric invoice and monthly statements is a spot that looks like this (show blow up) , except much smaller-obviously. This is a place for you to make a voluntary donation to the Reserves or Capital Improvements/New infrastructure. We have already had \$84.22 donated to reserves and \$128.92 donated to Capital Improvement; some people are simply rounding up their electric bill to an even number and some and designated a certain amount each month to be donated. The donation shows up on your monthly statement as invoiced out, so you can tell your donation was made.

As I am working today for the BOD meeting, I will be taking my extra day off next week on Wednesday, July 3, 2019, sneaking another day onto my July 4<sup>th</sup> weekend.
