Septic Task Force Statement of Purpose
By DBR BOD
8/15/2019

The DBR Board of Directors requests that approved Septic Task Force members assist the Facilities Manager in reviewing contractor bids, comparing their statements of work with ADC Engineering's statement of work, and comparing like-type bids statement of work, cost estimates and schedules, and any issues the Facilities Manager determines is appropriate, to determine the best possible contractor. Findings and recommendations will be presented to the BOD for further review.
