

October 9, 2019

ALRC Meeting

Members Present: JoIda Reed, Phyllis Rabun, JoAnn Garner

Facility Manager: Barb Gilger

BOD Liaison: Tenna Mathews

New Permits Issued:

LOT	PERMIT #	STREET	DATE	OWNER	PROJECT
25*	Pending	2nd	10/9/19	Maxwell	Trailer Parking
113	298	6 th	10/9/19	Raybun	Decking

Permits Closed: none

NOTE: *This permit requires approval from the BOD for an exemption to Park Rules. Rule 11.2 Transportation Vehicles and Parking.

The LH is requesting to move her trailer to her driveway temporarily to help accommodate the space potentially needed for staging equipment that will be used for the septic system. ALRC is recommending approval of this exemption. ALRC is recommending that a permit be placed on the vehicle windshield to indicate this approval.

NOTE: Barb Gilger is looking into alternative parking spaces and will follow up with the BOD if another location is determined to be more adequate.

NOTE: The committee agreed to convene meetings Wednesday at 9:30am at the office. The October 16 meeting will be led by Barb Gilger. Also, beginning November 1st, Barb will take over the ALRC requests for the winter months. LH should submit any requests under Barbs door so she receives them directly.

Respectfully submitted,

JoIda Reed, ALRC Chair
