

April 27, 2020 ALRC Activity

To All Leaseholders and BOD Members:

From: ALRC Committee Chair, Jolda Reed

It's that time of year again that we resume (mostly via Zoom) DBR activities and responsibilities. The BOD has already initiated their required meetings and the community can once again join in by signing up for the various Committees. Signup sheets are in the office. This includes ALRC! The Committee is open to new members and is happy to welcome back previous members.

Recently, there have been a few ALRC requests submitted and Barb suggested that we resume on a case-by-case basis but not on our regular Wednesday meetings due to COVID-19 stay-at-home requirements.

Current ALRC requests pending and/or approved:
