ALRC Committee Meeting Minutes

To: Board Members and all Lease Holders and Renters

Members present: Penny Barrett (Bd Liaison), Bevin Bermingham, JoAnn Garner, Penny Rand, Phyllis Rabun, Jeri Nieberding, Barb Gilger

Guests: Sheryl Haller (79-80 LH), Jackie Cairns (70)

We discussed 6 new requests, 4 which were approved, 2 that need a bit more information. When a request requires more information, it goes back to the LH for follow up. Sandy Virago's request was submitted and needs to be sent to her for signature before it can be approved.

Committee members began discussing the ALRC Guidelines. Each section will be reviewed for clarity. We are aware that some of the Guidelines can be vague and we wish to clear these up. We will be using the CC&R's as well as the other park documents to help us with this process.

We are including an updated spreadsheet with the pending and closed requests. We ask that all LH's that have the orange permit cards and your project is not yet finished, please keep them displayed. If you have an orange permit card and your project has been completed, please turn your orange permit card back into the office. There is an ALRC box on the bottom row which is marked and you can place it in there and we can then close your project on the books. This will help immensely.

If you have an ALRC request to submit, please place it in the ALRC box at the bottom of the mailboxes or even better, join us at our Weds morning meeting at 930. Bring your mask as we all sit 6' apart and wear ours every week. We want to thank you all for your patience and support
