

Safety Committee Meeting Minutes 8/10/2020

Present: Joann, Marion, Gail Young, Carol, Susie and Mary W.

The committee was tasked with providing further information about the park's response to the pandemic. A prepared statement was read and discussed. The statement will be sent out the everyone as a blast, read at the next work session and then discussed to help us decide how to best protect the community from COVID.

We discussed putting a Masks Are Required sign on the front gate. The board will discuss this. Susie will talk to Melinda about making signs to put around the park that remind everyone to wear masks and socially distance.

We have gone through the radios and walkie talkies in the Safety Shed. Each street will have one person given a radio as emergency contacts. They are:

1st-Jolda 4th-Cherrie

2nd-Susie 5th-Gail Y.

3rd-Pat 6th-Marion

We will conduct an emergency drill (ShakeOut) on September 8 at 1:00. Information for the drill will be sent out in an email and placed in mailboxes.

We are waiting to hear from Rite Aid about flu vaccinations at the park. As soon as we do, we will contact everyone with information.
