

September 23rd, 2020                      ALRC Meeting Minutes

To All Leaseholders and BOD Members:

From: ALRC Committee Chair, JoIda Reed

Members: JoAnn, Phyllis, Bevin, and Fac Rep Barb Gilger

BOD Liaisons: Tenna Matthews, Sheryl Haller

New Permit Requested: None

Permits Closed: None

NOTE: There were no new requests therefore the committee did not need to meet. With the change in the season, this has been a regular trend for requests to decline. We will continue to check on a weekly basis if new requests are submitted.

If you have a request that is timely, contact one of the committee members and advise them of the circumstances needing prompt attention.

If you are submitting a request, please fill out the form as completely and thoroughly as possible. Things to consider including are dimensions, distances from boundaries/utilities, and types of materials to be used

Thank you,

Respectfully submitted,

JoIda Reed, ALRC Chair
