Memorial Day potluck 5/30. Tenna will grill and say a "few words" to honor the fallen military. Sherri P picked up paper supplies Thursday 5/26 (plates, cups) @ US Food supplies in Bremerton (\$43). Sherri P picked up meats, buns, burger fixings, for 5/30 potluck today.

Sherri & Sherri will pick up sodas for Radclyffe and collect the money from the fridge.

Axe throwing is back on for Monday evening

Game night is Tuesday evening

Movie night is Friday evening

We want to do a fundraiser Bingo in June.

Sherri & Sherri will be on vacation 6/4-6/15 so likely after that unless someone wants to take lead on that while we are gone.

It was recommended and we want to do Saturday brunch (coffee, muffins, cream cheese & bagels) fundraiser @ 10:00 - probably every other week. That is still in Planning Phase.

Also suggested and we want to do a "flee market/craft fair" likely in July - still in Planning Phase.

Marion has arranged for fundraiser concerts in June & July.

Marion has scheduled a safety committee training for residents.

Michele Ransom wants to do the July 4th crab feed again. We think that is a great idea!

Annual in August- I hear there is a special committee formed for that. Do we do a signup sheet?

"Calendar Girls" have been pretty successful at capturing events & updates.

Sherri & Sherri donated 3 boxes of quick dissolving TP so that residents could try it to help with the septic. It was in the office with a sign for folks to take some. I'm guessing they did as the boxes are gone. - not sure that is "activities committee" related but we see it as sort of a Welcome Wagon thing like the April, May & June Welcome Back Potlucks.
