

RENEWABLE ENERGY TASK FORCE (RETF)

SUMMARY REPORT FOR DBR BOD

REPORT DATE	PROJECT NAME	PREPARED BY
05/23/2022	Renewable Energy Task Force	Sherri Musgrove

STATUS SUMMARY

The first meeting for the Renewable Energy Task Force was held 05/03/2022. There were nominations for a Chairwoman with *Sherri Musgrove* nominated and approved. *Mary Wynn* volunteered to be the DBR BOD liaison.

We met again on 05/17/2022 – the guest speaker Mason Rolph from Olympia Community Solar, a grant funded organization. Mason presented general solar information and with a few specifics for DBR. He suggested we get estimates for a small project from installers in our area.

We agreed to pursue estimates and send Mason the estimates. Mason does believe that we can get some portion of the solar power project covered by grants, this is not guaranteed.

Barb Gilger suggested we get estimates for the pool area first, then we can look to the larger common areas. The pool area has more energy use, we will coordinate with Barb when the installers arrive to DBR to provide estimates.

ACTION ITEMS

TASK	% DONE	DUE DATE	DRIVER	NOTES
Call solar installers for an estimate	0%	05/30/2022	Task Force	Becky Stinson
Prepare RETF Report for DBR BOD	100%	05/23/2022	Sherri Musgrove	Emailed to DBR office
Send materials to Lynn Brem for the DBR website under the Renewable Energy Task Force area	100%	05/23/2022	Sherri Musgrove	Emailed Lynn Brem
Meeting 05/17/2022	100%	05/17/2022	Sherri Musgrove Sharon Murphey	Guest: Mason Rolph
Meeting 05/03/2022	100%	05/03/2022	Sherri Musgrove Becky Stinson	Sheryl Haller to host while Mary Wynn is traveling
Schedule meeting for 05/03/2022	100%	04/28/2022	Sherri Musgrove	Sent email to DBR Office – Sheryl Haller agreed to host
Convert materials received by email from Sharon and Becky to PDF	100%	04/06/2022	Sherri Musgrove	Lynn Brem requested that materials must be in PDF format to be put onto the DBR website
