Committee involvement is dependent upon the activity. We want to encourage people to do things to benefit DBR and seek Activities Committee support.

Recurring events that are activities committee responsibility include Game Night, Movie Night and Monthly Birthday cake. Drink sales are activities committee responsibility (collect cash & stock fridge). Purchase of popcorn & related supplies for movie night, purchase of dish soap for Radclyffe, purchase of birthday cake & supplies are Activities Committee responsibility.

The annual meeting is Activities Committee responsibility with cooperation and coordination with others (e.g., election committee, BOD, Park Management).

Activities Committee is encouraged to seek volunteers for the various activities.

Funds collected go to Activities Committee account. Activity cost reimbursement require receipt & form completed and provided to Penny (BOD liaison).
