

LONG TERM PLANNING COMMITTEE (LTPC)

SUMMARY REPORT FOR DBR BOD

REPORT DATE	PROJECT NAME	PREPARED BY
06/22/2022	Long Term Planning Committee (LTPC)	Jackie Cairns

STATUS SUMMARY

The LTPC elected Jackie Cairns as the Chairperson for this group.

The group discussed:

Ramada enclosure (partial)

- ✓ Lynn Brem created a mock-up of the Ramada – this allows us to generate various scenarios as we go through our ideas
- ✓ Kitchen area at the Ramada – building a kitchen area at the Ramada will provide various advantages to the park residents:
 - Safety – A place to gather and be able to cook if we have power outages
 - Barrier – Provide an additional wind barrier without adding to the structure of the Ramada
 - Storage Pod or something to that effect in the kitchen area were it to be built (Safe storage)

The LTPC team reached out to Jackie L from the Green Team to assure continuity between the teams, Jackie will attend the LTPC meetings, and if she cannot, she will ask another team member to attend. One of the LTPC members will also attend the Green Team meetings.

The team would like to have a brainstorming session during the annual with **FORGOT THE NAME** on the Sunday before the annual. She agreed to the meeting.
