Repair, Request, Suggestion, Idea or Question:

~~Because we had another rough winter and socializing indoors was not possible, because the current fire pit is in need of accessibility upgrading, and because we need someplace to meet outdoors for activities in the winter, can DBR investigate the possibility of converting one side of the Ramada to a:~~

~~1. A fireplace wall - the chimney, storage, hearth, space for TV and sound bar (for movie nights) built so that we have a wall that will break any wind from that direction~~

~~2. An outdoor kitchen. Significant research in how we would use ther kitchen to determine what components are needed. Including: pizza oven, large Brickstone grill, large sink, lots of storage so we can keep items here and not lug them down from Radclyffe, dishwasher?, fridge, serving areas, etc.)~~

It is understood that fund raising will be required. We could build this in sections as money is raised.
