Dear DBR Board of Directors

As many of you know, Briar and I had been overseeing the care of our two Founding Mothers of DBR, Jud Judkins and Cory Hubinon for the last 8 years. Both have now passed and we have the privilege to honor them and lay them to rest. They were very happy residing at DBR and we request the interment of their ashes be made at the DBR memorial garden as their final resting place. We know that the Annual Weekend is coming up and we would be happy to organize a small ceremony. We would also like to provide a headstone or possibly a memorial bench for the enjoyment of others. Her son, Chuck, expressed interest in attending whatever we come up with. Not totally sure that will happen, but would want him to have the opportunity.

We would provide any cost to digging the hole. The box we have allows both to be interred together. Please let me know if this will work for you. There are no federal or state laws prohibiting burying the cremains, other than your permission to do so. Should you have any other suggestions on how best to honor them, we would be happy to participate in the planning.

Thank you for your consideration.

Sincerely,

Barb Vittitoe and Briar Kolp
