Repair, Request, Suggestion, Idea or Question:

The memorial plaque board and individual name plates are in poor shape. The individual name plates are discoloring and some are faded and hard to read. The screws are rusting and the holes are discolored. It looks neglected. Let us honor and show our respect to our departed sisters and upgrade the memorial board, maybe enlarge it also and redo the nameplates and screws to brass or other weather resistant material. Respectfully submitted, Kerrie

I've taken the Plaque board down & cleaning it. New screws. We won't be enlarging or replacing nameplates. I will submit a request to see if the whole project can
