

Discovery Bay RV Resort REQUEST FOR ACTION

- This form may be used to inform the Facilities Manager, Office Manager or the Board of Directors of something that needs repair, or requests, ideas, suggestions, or questions. Use back of form for additional space.
- Place completed form in the Office/DBLA business mailbox located in the Mail Room next to the outgoing mail box.
- Anyone wishing to have an item added to the BOD's agenda needs to submit an RFA at least a week prior to a Work Session. Completed RFAs must be turned into the office. The office will copy the RFA and distribute it to all BOD members for consideration. Please note that the BOD may decide that an RFA should be forwarded to one of the Park Managers or a Committee for appropriate handling.

Date 7/24/23 Lot #: 108

Name: JUDITH WRIGHT

Repair, Request, Suggestion, Idea or Question:

I am requesting that the yellow "caution" tape be removed from beside the Nature Trail. It is unsightly, especially in that location. While it was put up to deter trespassing by those willing to honor the tape, it does nothing to deter anyone who wants duck under it. I'm not aware of any reports of strangers wandering in the woods in the last couple of years. Can we please remove it? I'd be absolutely delighted to do it myself, and I'm sure I can recruit volunteers to join me in a removal party.

Answer or Comments by LORI GARRISON Date: 8/1/23

The Tape is to prevent any development from
the neighboring land owner. Until the
boundaries are clearly defined, we
placed this.

- Place completed form in the inbox on the office door or in the wooden payment box outside the operations office.

Date 7/24/23 Lot #: Safety team for Safety shed

Name: Kerrie McMillen - safety chair

Repair, Request, Suggestion, Idea or Question:

The Safety team would like to request that electric be provided to the safety shed for the following reasons:

- 1) There are items stored there that need to be charged and ready to go.
- 2) We need light to see and avoid tripping.
- 3) We need to have a dehumidifier like those 'pancake' types used in many sheds to avoid winter mildew and moisture.

ALL great ideas. Budgeting for this would take some time. CERT/SAFETY should get estimates for installation of Electrical licensed and bonded company. Fundraisers could potentially pay for this.
