Request for Action (RFA)

This form may be used to:

- communicate information to the Park/Facilities/Office Manager about items that may need improvement or repairs in common areas at DBR
- share with the Board of Directors ideas, concerns, suggestions or questions about any aspect of Park life, DBWC rules, or current policies and practices

In order for this RFA to be placed on the next Board Meeting Agenda, it must be submitted to the office at least one week prior to the monthly Work Session (generally the 3rd Thursday of every month, but check the DBWC calendar on the website to confirm). RFA's which do not require Board discussion or action will be forwarded to the Park/Facilities Manager or appropriate Committee for attention.

Once complete, please place this form in the inbox on the business office door.

Anyone who submits an RFA requiring discussion with the Board is asked to attend the Work Session and Board Meeting where her RFA will be discussed.

Repair Needed, Request, Suggestion, Idea, Concern, Question:

Since we live in small spaces (less than 400 sq ft) and there is a need to be able to store emergency supplies (food, water, first aid, etc), I suggest the LARC rules be changed to allow 1 (one) additional Bin provided it is used exclusively for emergency supplies. The additional Bin would still need to meet LARC Bin standards (e.g., cubic feet, distance between structures). Additionally, I suggest each lot be able to have up to two (2) free-standing water drums (not to exceed 60 gals).
