## Request for Action (RFA)

This form may be used to:

- communicate information to the Park/Facilities/Office Manager about items that may need improvement or repairs in common areas at DBR
- share with the Board of Directors ideas, concerns, suggestions or questions about any aspect of Park life, DBWC rules, or current policies and practices

In order for this RFA to be placed on the next Board Meeting Agenda, it must be submitted to the office at least one week prior to the monthly Work Session (generally the 3rd Thursday of every month, but check the DBWC calendar on the website to confirm). RFA's which do not require Board discussion or action will be forwarded to the Park/Facilities Manager or appropriate Committee for attention.

Once complete, please place this form in the inbox on the business office door.

Anyone who submits an RFA requiring discussion with the Board is asked to attend the Work Session and Board Meeting where her RFA will be discussed.

Repair Needed, Request, Suggestion, Idea, Concern, Question:

At first the speed bumps felt like a nuisance to me, Now they are a physical liability. I had 4 days of excruciating pain in my neck. I went to the Doctor on 7/16/25. I have severe arthritis in my neck & spine. The DR asked me many questions about how this flare up occurred. I asked him if it could be the speed bumps. It causes my body to go side to side & get jostled. He felt that it could happen because of the bumps. see attached page

The bumps are very uneven  
they make me have to be  
jostled in my car side to side.  
I have not been able to  
move my (neck) head turn  
my head. I am currently  
on prednisone and Narco.  
I want to enjoy my time  
here at DBR. I had to  
cancel my volunteering at  
lavender Festival this weekend.  
I couldn't help with some  
safety things with Kerrie  
There are 3 sets on 1<sup>st</sup> ST  
& 3 on 2<sup>nd</sup> I have ~~NO~~ NO  
alternative to leave or come in  
Please help me & many others  
who suffer from chronic pain  
I am here since 1996 & we have  
dealt with the issue a long  
time.  
Thank you
