Request for Action (RFA)

This form may be used to:

- communicate information to the Park/Facilities/Office Manager about items that may need improvement or repairs in common areas at DBR
- share with the Board of Directors ideas, concerns, suggestions or questions about any aspect of Park life, DBWC rules, or current policies and practices

In order for this RFA to be placed on the next Board Meeting Agenda, it must be submitted to the office at least one week prior to the monthly Work Session (generally the 3rd Thursday of every month, but check the DBWC calendar on the website to confirm). RFA's which do not require Board discussion or action will be forwarded to the Park/Facilities Manager or appropriate Committee for attention.

Once complete, please place this form in the inbox on the business office door.

Anyone who submits an RFA requiring discussion with the Board is asked to attend the Work Session and Board Meeting where her RFA will be discussed.

Repair Needed, Request, Suggestion, Idea, Concern, Question:

Sanitation measures during a prolonged Power
outage (from whatever event) is Required to keep us
Safe from Disease caused by Pathogens.

A composting system for feces (POOP) would be a
Simple, low cost, effective method to control
pathogen exposure. Three (3) pallets and Sawdust
are all that are needed. 2 more pallets can be
connected to expand the system.
The 2 Bucket system, 1 for PEE, 1 for POOP - is all
that is need for each household along with Sawdust for
the POOP Bucket. Urine can be dumped on the ground
grass or bushes. →
