

Process for the Meet and Greet Information Committee (MaGIC)

Interactions with Potential New Members

1. When potential new members contact the office via phone or email, they will be directed to make contact with MaGIC via email. (info@discoverybayresort.org)
2. A MaGIC member will respond to interested women, answer questions, email information about the Park and community and when requested, schedule a tour.
3. Two MaGiC members will provide a tour of the park, and, using the MaGIC Questionnaire, informally interview the possible candidate(s) for membership in DBWC
4. If an interested woman is unavailable for a tour, a MaGIC member will complete the questionnaire based on a phone conversation. If the woman is interested in having her name put on the list of potential members, she will be directed to email the office (office@discoverybayresort.org) and provide her contact information.
5. Following the tour/phone conversation, MaGIC members will take the completed co “MaGIC Questionnaire and Summary” form to the office and place it in the MaGIC folder. RV Members are welcome to look at this information when the office is open.
6. After someone has communicated with a MaGIC member (tour or phone conversation) she may contact the DBWC office and request that her contact information be placed on the potential member spreadsheet being maintained for women interested in subleasing or buying a site.
7. To ensure transparency, current RV Members may obtain a copy of the potential member spreadsheet by requesting that the office email a copy to them.
