Ruth Messing is a longtime DBR benefactor who had DBR lot 64 from 2007-2016, and also had lots 45 and 46. Ruth took on trying to get newcomers at a time when there were many empty lots. She publicized in “like-minded” venues and gave tours. She and her late partner, Mary Jo Cain, lot 79, moved to Sequim in 2016 but continued to participate in DBR activities.
